

Learn about Single Cell Genomics Services offered for Spatial RNA Sequencing

Come and mingle with the experts of Spatial RNA sequencing!

Date: 27th of April

Time: 13.00-14.30

Location: SciLifeLab, Stockholm

Room: Air & Fire

Register by QR code (limited number of seats)

Fika & mingle afterwards

- 13.00 - 13.10** Welcome & Spatial Transcriptomic services at NGI
by **Xesús M Abalo**, Project Coordinator, NGI
- 13.10 - 13.30** *“Move past spatial barriers with Visium CytAssist”*
by **Jacob Stern**, Director Product Management, 10X Genomics
- 13.30 - 13.45** *“Revealing the secrets of cancer: A multimodal human breast cancer atlas”* by **Leire Alonso Galicia**, PhD student at Joakim Lundeberg’s lab
- 13.45 - 14.00** Q&A
- 14.00** Mingle with expert & fika
