

Join the 10x Genomics & SciLifeLab Lunch Seminar at Navet Uppsala University

Date: May 13, 2025

Time: 10:00 – 12:00

Where: The Triple room (E10:1308), SciLifeLab / Navet, Uppsala University

Pre-register: <https://forms.gle/PjpFayQwNuZGi1oN9>

Presentation title	Time	Presenter
Discovering the latest updates from 10x Genomics	10:00 – 10:20	Jaakko Ahlberg, 10x Genomics
Single Cell Services at ScilifeLab National Genomics Infrastructure	10:20 – 10:35	Henrik Gezelius, PhD, Researcher, NGI SciLifeLab
Spatial Transcriptomics methods offered at ScilifeLab National Genomics Infrastructure	10:35 – 10:50	Xesus M. Abalo, PhD, Project Coordinator at NGI SciLifeLab
Dissecting Glioblastoma Architecture Through Spatial Transcriptomics and Clonal Lineage Tracing	10:50 – 11:05	Irem Uppman, PhD candidate at Sven Nelander group, UU
Imaging-Based Spatial Transcriptomics at the ISS Facility	11:05 – 11:25	Katarina Tiklova PhD, Head of ISS Facility at SciLifeLab
Combined Live Imaging and Xenium in Glioblastoma Tumors and Fetal Cortex	11:25 – 11:45	Elin Vinsland, PhD, Postdoctoral Researcher at Sten Linnarsson Lab, KI
Q&A Panel	11:45 – 12:00
